Grandparent Resource

DCF / Kinship Navigator Program (nj.gov)

Phone: 877-569-0350 or 211

Email: access@centerffs.org

The Kinship Navigator Program offers supportive services for caregivers who have taken on the responsibility of raising a child. Kinship Navigator offers services to grandparents, other relatives and family friends, providing support in connecting caregivers to the services that best support the child in their care. Kinship can also provide assistance to caregivers seeking to obtain legal guardianship through family court.

Kinship connects the caregivers and the child to:

- . Support groups
- . Child care
- . Medical coverage
- . Housing assistance
- . Legal guardianship services

Kaleidoscope Kaleidoscope / Center for Family Services (centerffs.org)

LGBTQIA+ program providing support and guidance to South Jersey teens and young adults.

Kaleidoscope is a community-based LGBTQIA+ program that offers monthly meetings and ongoing virtual platforms in a welcoming atmosphere where teens and young adults like you can find support, guidance, and a sense of community. Kaleidoscope provides a safe, supportive environment for LGBTQIA+ and allied teens and young adults to gather, socialize, and help each other.

Kaleidoscope's mission is to empower LGBTQIA+ and allied teens and young adults to lead healthy, productive lives. The program is committed to fostering a safe and welcoming atmosphere for all people, respecting and celebrating the beautiful diversity of sexual and affectional orientations and gender identities and expressions. Kaleidoscope strives to be a participant - led organization, encouraging individuals to take leadership roles and develop communication and organizational skill that will enrich their lives as they transition through various stages of life. Additional supportive services are available to Kaleidoscope participants if needed. Groups are held virtually each month for both teens and young adults. Please visit us on Facebook for meeting announcement and to learn how to join!
